JOHN SABAL,

Plaintiff,

v.

Civil Case No. 4:23-cv-551-O

LIN WOOD,

Defendant.

DECLARATION OF PLAINTIFF JOHN SABAL

I, John Sabal, declare under penalty of perjury that the following is within my personal knowledge, true, and correct:

1. My name is John Sabal. I am over the age of twenty-one and competent in all respects to make this declaration. I have never been convicted of a felony or crime involving moral turpitude. I am the Plaintiff in this lawsuit, and I have personal knowledge of the facts stated herein and they are true and correct.

2. I own and operate The Patriot Voice, a business that is incorporated in California and headquartered in Texas. This business hosts patriotic events intended to promote Christian Conservatism.

3. I first contacted Defendant, Lin Wood, in May of 2021 after he had agreed to speak at The Patriot Voice's inaugural event in Dallas, Texas.

4. Although Defendant could not make it to the event, we continued our communications, and planned ways that we could collaborate to promote our shared values.

5. To this end I flew out to meet Defendant at his property, Tomotley, in South Carolina.

6. At and leading up to this meeting, Defendant and I discussed at length our plans for our organizations, working out how we could collaborate.

7. Specifically, I disclosed to Defendant that (1) I planned to move to Texas; (2) that I intended to base The Patriot Voice's operations from Texas; and (3) that I intended to hold at least one event in Texas per year.

8. Defendant agreed to allow us to use his property as a venue for an event and agreed to be a headliner for this event.

9. Defendant suddenly and without explanation rescinded his promise to host and speak at the event we planned together, and had advertised counting on his participation.

10. Defendant began a campaign of defamatory statements against me, as alleged in the Amended Complaint, which included directing his following to call their credit card companies and flag the transactions made with The Patriot Voice as fraudulent.

11. I informed Defendant that I was in the process of issuing refunds, and that refund checks were already in the mail, despite this, Defendant refused to retract

his statements or his call for credit card transaction cancelations, which resulted in some customers being refunded twice.

12. After the defamatory statements and the numerous flagged transactions, the payment processors that I use to sell tickets to The Patriot Voice's events refuse to work with me.

13. Because of Defendant's actions, I am no longer able to hold any events, forcing me to indefinitely postpone an event that has been advertised online in Dallas Texas.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on September 28, 2023.

L. Lin Wood > 

Hello Mr. Lin Wood!

Allow me to introduce myself. My name is John from The Patriot Voice, and my girlfriend, Amy, and I are the ones putting on the For God & Country Patriot Roundup event in Dallas, Texas, and we are SO honored and SO excited that you will be there to join us Memorial Day weekend!

I wanted to make a proper introduction and asked Sidney Powell the best way to reach you when we had dinner with her over the weekend. She recommended that we just text, or call you! Here is a picture of the three of us at dinner.

We would love to connect with you prior to the event so that you can get to know us (and vice versa) and so that we may answer any questions, etc. Do you have time this coming week?

ConAnon John and the GriftQueen contacted me in December 2021 about speaking at one of their events and being an admin for his main account. He wanted me to share my symbolism content in order to boost ticket sales and grow his numbers. My wife and I spoke about it and I agreed only with the intention to share my testimony on their stage in hopes of reaching as many people as possible to proclaim the Love and Saving Grace of Jesus Christ.

I knew ConAnon John from early Q days on Facebook because I caught him chopping up my symbolism threads and sharing them as his own. I called him out. He never responded but he did stop.

I was hesitant when he contacted me in 2021 because I knew he was untrustworthy and didn't have a very good reputation since we shared many of the same old frins. I accepted their offer because I thought in my heart that was where the Lord wanted me. I told them both I did not want any compensation for traveling and speaking.

In the 4 months I was an admin, I witnessed John repeatedly be dishonest with his group of admins and the patriot community.

They continued to sell tickets for an event MANY weeks after they knew it was canceled.

Several other admins were getting dm'd daily because ConAnon John and the GriftQueen would not respond to repeated emails and dm's about issuing refunds. The event had changed cities and

dm's about issuing refunds. The event had changed cities and locations 4 times. Some people were in tremendous financial binds yet they were blown off for months. Repeatedly lying saying they were never contacted. All while posting pictures of themselves dining at extremely fancy restaurants.

I witnessed them set up confrontations on his live chats behind closed doors to blindside Lin and others several times in order to create gossip, gain followers, and boost his numbers.

They lied about trips they took.

They lied about conversations they had with certain people.

I came to realize all the problems they had with all their past events. Ghosting people about paying back large sums of money they borrowed for the event while he purchased a brand new **Tesla**.

These are only a few of the MANY instances I encountered during the 4 months I was affiliated with them.

He is one of the biggest 2 faced people I have ever met. He talks behind everyone's backs and then tries to have other people like his admins or the GriftQueen fight his battles due to the fact he lacks courage.

From last Dec 2021 to around May 2022 they lost close to 30 admins because of their lies and deception.

They ONLY care about status and money. They will graft off of, ride ANY coat tail, or stab any back to achieve their goal.

The same people's content he shares now he was saying horrible

The same people's content he shares now he was saying horrible things about several months ago. Just like Michael Flynn and his WTM clowns. He has built his following off the backs of other people's hard work.

ConAnon John stays up all hours of the night on social media, sleeps half the next day, the begs people to "buy him coffees or donate to his givesendgo" for all his hard work.

After seeing this FRIVOLOUS lawsuit against Lin, I felt it was important to let people know the truth about ConAnons true character. Especially before being conned out of thousands of dollars for their next event that has already had the date pushed back once.

They both loved Lin when they were trying to profit off his name and property.

You can ask ANY previous admins from The Patriot Voice and I assure you they would corroborate everything I just said.

It is of my belief that TPV is a Michael Flynn and David Hancock Psyop grift. Don't get caught up.

Much Love and Many Blessings frins.

Just back from The Inn At Cotton Hall where I had a great 3 hour meeting with REAL Patriot Amy McFarland of Austin, Texas.

There a lot of communists and crazies in Austin these days, but Amy ain't one of them!!!

Amy loves Jesus Christ, President Trump, America, and freedom.

We had an informed conversation and I learned a great deal from our conversation.

I am blessed to be an innkeeper.

I love my guests!!!

I thank Amy for taking the time to meet with me and for attending the [#FightBack](#) event on Saturday.

God bless you, Amy.

Hurry back!!!

I was honored to meet this evening for 4.5 hours with 5 REAL Patriots at The Inn At Cotton Hall.

Pictured above are
Dan and Kaycie Swanson who were visiting from California.

The other 3 guests were from Texas!!! I hope to post their photo tomorrow.

We talked about President Trump, the state of our nation and the world, and most importantly, we shared our faith in Jesus Christ.

I learned so much from my guests and our discussion. Dan has done a GREAT deal of research in order to connect the dots!!!

I was blessed by my meeting this evening and I give ALL the praise and ALL the thanks to Jesus Christ.
